

March Against

March Against Monsanto is a call to action!
Join over 3.5 million people in over 600
protests Worldwide!!

Why We March?

- *Solidarity against Monsanto's predatory business & agricultural practices
- *Reject "substantial equivalence" of GMO and traditional crops
- *Demand INDEPENDENT scientific testing of GMO crops
- *Promote organic solutions
- *Expose the cronyism between big business and the government
- *Address poverty, the real cause of global hunger
- *Support food & seed sovereignty
- *Support local farms, bees, and biodiversity
- *Labeling of all food that contains GMOs

Join the Worldwide march on:

Saturday - May 19th, 2018
